## *Mobil SHC – the next-generation lubricants*

Productivity and Sustainability are the key concerns of every industry these days. To help address these concerns, innovation has led to development of new Mobil SHC, the premiere line of synthetic lubricants for industry.

### Benefits of Mobil synthetic lubricant

- Longer oil life
- Longer equipment life
- Less used oil to dispose
- Documented Energy savings.

### Additional advantages include

- High-temperature capability
- Excellent resistance to oxidation
- Low-temperature flow properties
- Protection against wear.

To find out more on how Mobil SHC Industrial Lubricants can help unleash productivity and keep every part of your machinery operating at the highest efficiency, join us at the
